

Mayfly Finale Lyrics for BSL

Whispered:

Moments

Moments

Moments

Moments

Singing:

Ephemeral

Moments

Moments

Moments

Ephemeral

Fleeting moments,ephemeral

Fleeting moments,ephemeral

Transitory moments fleeting now

Fleeting moments,ephemeral

Transitory moments fleeting moments fleeting moments

Fleeting moments,ephemeral

Transitory moments are fleeting, are fleeting, are fleeting away

Never quite captured, never quite remembered

Transitory moments are fleeting, are fleeting, are fleeting away

Never quite captured, never quite remembered

Transitory moments.

Life's constant transformation

We shift and change as the world is shifting and changing around us.

Life's constant transformation

We shift and change as the world is shifting and changing around us.

As it is right here

As it is right now

As it is right here

As it is right now

A dance for this moment with you, in this world, in this music

As it is right here

As it is right now

As it is right here

As it is right now

A dance for this moment with you, in this world, in this music

Fly,

Fly,

Fly,

May We Fly

May We Fly

Away

Away

May We Fly

May We Fly

Away

Away

May We Fly

May We Fly

Away

Away

May We Fly

May We Fly

Away

Away

Fleeting moments,

Fleeting moments
Fleeting, moments
Moments Fleeting Moments

May We Fly

Transitory moments fleeting away
Never quite captured never quite remembered
Aaaaay

Transitory moments fleeting away
Never quite captured never quite remembered
Aaaaay

May we fly
May we fly
Away
Away
